### RECOUNT IN THE SHERIFF'S RACE

At 3 o'clock this afternoon it was said at the court house that Sheriff J. P. Galloway was maintaining his lead over Frank Adams in the contest for the sheriff's race. The three commissioners met at 9 o'clock this morning and by noon had recounted the votes in nine precincts. At 2 o'clock the counting was resumed, and at 3 o'clock it was said that Mr. Adams had gained several votes on his opponent's lead, but less than half enough to overcome the lead of ten votes gained by Sheriff Galloway as a result of the recount on Wednesday. No tabulation has been made by the commissioners, and it is probable that none will be made until the votes in all of the precincts in the county have been recounted.

The precincts recounted today up to 3 o'clock are Fairfield, Anthony, Flemington, Orange Springs, Citra, Eureka, Martel, Dunnellon, Moss Bluff, Cotton Plant, Summerfield, Linadale and Ocala No. 1.

### TURKEY DINNER

The Ocala House Lunch Rooms will have a big turkey dinner tomorrow, and expect all their friends to come and partake of the succulent, really, truly American bird.

A heavy, driving rain, accompanied with thunder and lightning, struck the town about 11:30. The lightning was particularly busy, and electric motors had to stop for awhile. In North Ocala, several bolts struck and did considerable damage. A telephone post in front of Mrs. J. D. Spencer's house was split, and the roof of Mr. W. H. McConn's house was torn off. Mr. J. D. Small's cow was killed, and for awhile North Ocala was a rather uncomfortable center of electrical attraction.

Messrs. A. H. Taylor of Center Hill and C. Brock of Triby, are here with the local representative, Mr. G. F. Lewis, recruiting members for the Ocala lodge of Modern Woodmen.

A good business chance. Motor bus for sale at reasonable price. Good business worked up. Owner finds it necessary to return home. For particulars call at G. A. Nash's store.

### IMPORTANT MEETING IN TAMPA NEXT MONTH

For the purpose of discussing and thrashing out freight and express rates the South Florida Chamber of Commerce and the merchants of central and south Florida will meet in Tampa, Sept. 7, with the Hillsborough county board of trade. One of the matters to be considered in the establishment of a tariff bureau for South Florida. Marion county will be represented by L. S. Light of Reddick, and possibly Z. C. Chambliss and L. R. Trammell, secretary of the Marion County Board of Trade. The freight rate problem is Ocala's greatest problem, and the meeting, therefore, will be of importance to this section.

Ocala will be well represented at the meeting of the retail division of the South Florida Chamber of Commerce to be held in Tampa, August 31. L. R. Trammell, secretary of the board of trade, is busy lining up delegates from among the retail merchants of Ocala. At the meeting will be discussed legislation covering the problem of collections, and bad checks.

As soon as he heard yesterday of the proposed trade extension trip of the board of trade, L. R. Trammell, secretary of the board of trade here, wrote to L. P. Dickie, secretary of the Tampa organization, to find out the particulars and dates.

"The John Dozier Co." will undersell everybody for the next 15 days for cash. Corn especially.
